

FOLLOWUP REQUIRED 2011

Please check the original physical examination form for each student listed below to learn the specific information needed to clear the student for participation. Some students may be cleared to play, but have issues that require medical followup. An example is "borderline" high blood pressure. The student can be cleared to play but should be rechecked by their Family Doctor or School Nurse. Students needing an eye exam is another example where followup is needed, but the student is cleared to play.
